

Ms. Caroline's First Grade Weekly Newsletter May 24 - May 28

Dear Parents,

Believe it or not we have come to the final week of school. It has been a wonderful year. I have seen your children go from insecure first graders to confident second graders! It truly has been my pleasure and privilege to be their teacher. They are so special to me. I especially want to thank all of you for your kind words of support and encouragement. You are awesome parents!!

THANK YOU

I would like to thank all of my moms who have driven on the various field trips and helped plan the school year parties. I would especially like to thank Mrs. Stephanie Torres for planning our year end swim party and for all the times she arranged the drivers for our field trips. She has been such a blessing!
