

Ms. Leslie's Second Grade Newsletter

May 24, 2010

Spanish- See Spanish Newsletter

Last week of school- Our last week of school will be special. I will be using two great books of literature to plan special projects of art, writing, and more. The two books are Pilgrim's Progress and our former read aloud, Swiss Family Robinson.

*In Science, we will be looking at various chapters in the Physical and Earth sciences from our curriculum. This will include fun activities. I have purchased some videos on electricity and motion.

*In handwriting, we will finish letters Q, X, and Z, and any extra worksheets will be sent home for summer practice.

*In Bible we will finish the life of Paul.

*In math, we will play all the math games the children love.

My aim is to make this coming week educational and fun.

May 24- AR swimming party will be at the McAllen Municipal pool for students in the 100 Point Club. It will be from 10-12 Noon.

Congratulations to Jordan O'dale, Kiersten Schmidt (188pts), Andrea Ashburn (200pts), Susan Guajardo, Ryleigh Erickson, Megan Thornton, and Grace Pena for achieving such a high goal!

May 26- Talent Show 9AM

May 28- Awards Ceremony for 1st – 8th; Early Release at noon
There will be no hot lunch this week.

Thank you! Thank you!

I want to give a special thank you to Mrs. Trammell for all her hard work organizing the end of the year party. It was great! The weather was beautiful and the setting was fabulous. Also, Ms. Rosie helped so much with phone calling for the event. Thank you, Ms. Rosie! And I also want to thank Ms. Nancy, Mrs. Southwell, and Mrs. Trammell for volunteering to keep the class during Marvelous Mondays. It was a real treat to go out to breakfast and lunch on a school day.

And thank you, Mr. O'dale, for repairing BOTH of my air condition units this past week. I don't know if I could have survived the week without your sacrifice of time on my behalf. It was very generous of you.

****Parents, you are greatly appreciated. I have enjoyed getting to know you and your children. I will continue to pray that each student has a fabulous summer rest and a fantastic third grade year.
