Covenant Christian Academy

Week 33

April 26th - April 30th

CCA Vision Statement: "Using Biblical principles to produce excellence in every area of life".

## Bible Verse!

Unto thee, O God, do we give thanks. Psalm 75:1

The end of the school year is near and we are still going full force with our learning skills. The children have done so well. I am so proud of them. They have learned so much this school year, I have no doubt they'll be ready to go to K4. This week we read, "Jesus Stills The Water." The children were amazed on how God told the waters to be still. We learned about turtles and our eye sight. We also made chocolate turtles on a spoon. The children were so excited and had a fabulous time making their snack. Thank you parents for all you do for CCA.

**Bible:** We will read "Heaven."

**Phonics:** We will introduce letter "Uu & Vv" and it's sound/formation.

**Language Development:** We will learn about upside down pineapple cake.

**Math:** We will review #14 and it's formation.

**Science:** We will talk about volcanoes.
