

Ms. Julie's K5 Newsletter - Week 34

May 17th - May 21st

Dear Parents,

This is my last newsletter for the year. What a great year we have had! I am very pleased with the progress they have all made! They are ready to become first graders, but if it were up to me, I would keep them all another year. This class (both students & parents) have been a wonderful blessing to me. I will truly miss them! They are such sweet and loving children towards each other as well as Ms. Crystal and me. You are doing a wonderful job raising them! Keep up the good work! Enjoy them as they grow up so fast! My husband and I will be marrying off our oldest daughter in just a few short weeks and our middle daughter just graduated from college. So please cherish and make memories with your children - you will not ever regret it!

Thank you for giving me the privilege of teaching and getting to know your precious little ones.

Have a great summer! I hope to see you all in August!

Thanks again,
Ms. Julie
