

Dear K-5 Parents,

We will be getting ready for GALA this week with a special visitor in our classroom! The students helped to paint our RETICULATING PYTHON two weeks ago, and now we will learn about this particular snake. Each child will be asked to help think of a name for our snake, and we will vote democratically for our snake's name. Our reticulating python will be in the auction at Gala! Pre-sale tickets are already for sale in the office. Don't miss out on a great night of fun!

THANK YOU for all of the warm wishes, flowers, gifts, and cards for my birthday!!! Your thoughtfulness does not go unnoticed! I felt very much loved and enjoyed my day!!!

THANK YOU to Meg Thorburn for emailing parents and helping to organize special days like Dr. Suess' birthday and our field trip! THANK YOU to all the parents that chaperoned and helped to make our field trip a huge success! I'm sure the children enjoyed some new experiences and learned something new about some animals and plants! Thank you for the support you have shown Ms. Heidi and me all year!

May you and your families all enjoy a blessed Spring Break! Enjoy some time to relax & be with the ones you love!

Bible: The Life of Christ: Jesus & the Lepers; Lazarus & the Rich Man; Rich Young Ruler
Memory Verse: Letter V – “Verily, verily, I say unto you, Whatsoever ye shall ask the Father in My name, He will give it to you.” John 16:23

Phonics: Review 1 & 2 vowel rules and special sounds chart 8 & 9
Review special sounds: wh –whale, wh –who, -tch in patch, -ear in ear, ear in earth, ear in bear, -old in gold, -ew in few, -ew in flew, -y in rainy
Introduce special sounds: -y in rainy, -er in bigger, -est in biggest, -ly in slowly

Spelling: List 12 – When a word has 2 vowels; the 1st one's long & the 2nd one's silent!
Long a can be spelled different ways!

Math: Introduce a “Quarter is worth 25 cents”
Review number “families” – 3 through 7 and their addition facts
*Please review flashcards or play games with dice or dominoes to practice
Review telling time to the hour & ½ hour, number “words”, counting by 10's & 5's

Core: Hawaii

Science: Discovering God's World – Animals

6+1 Writing: Sentence Fluency

Project Respect: Requesting (Review)
